

LCI CYBERTRIAL™

LCI handles every *virtual* detail.

With more trial teams and courtrooms going remote, LCI has all the equipment needed to create and support a remote trial from start to finish. Our skilled team provides set-up, web-hosting, video conferencing, and technical support.

LCI CYBERTRIAL™

Equipment | Hosting | Support

**Anywhere in the World**

### State-of-the-Art Equipment

- We provide the latest technology to deliver reliable, exceptional service.

### Universal Remote Legal Proceedings

- Our systems and technical professionals can host whichever video conferencing platform your team prefers.

### 24/7 Support

- Our team is always available to provide monitoring, switchboard operations, and troubleshooting.

LCI CYBERTRIAL™

No matter where the judge, trial team, and witnesses are located, we will bring you to one secure, virtual space.

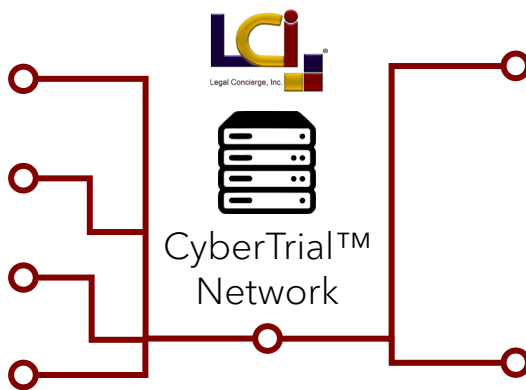

Judge

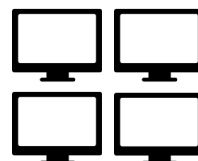

Plaintiff

Defendant

Witness

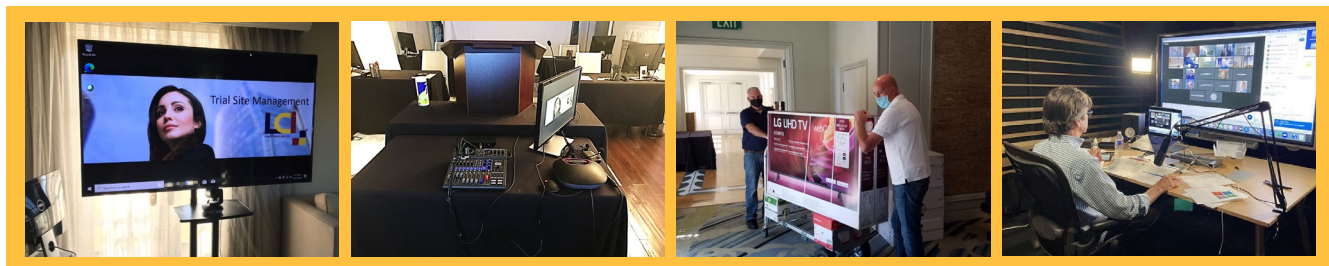

Shared Presentation

Gallery Streaming

Our network allows for court, counsel, and witnesses to share a presentation all while on individual systems. These screens can be combined and switched throughout proceedings for the judge and the gallery to view.
