Partnering with you

Since 2000 we've worked with our clients both domestically and internationally. They come back time and again because they know we deliver.

Save your client's money. You and your team do what you do best - lawyering. We handle the rest. We are with you throughout your proceedings.

We want you to be successful. We'll bring our A-game and deliver on your support needs while you focus on winning your case!

Services

1

Trial Site Administration

Our Coordinators manage all logistics at trial: transportation, catering, vendors, laundry services, room blocks, and supplies.

2

War Room Accommodations

LCI has the expertise to execute a well-coordinated, budget conscious trial-site environment for your team.

3

IT Support

LCI provides the latest technology including workstations, telephones, printers, copiers, and the network infrastructure needed to keep your team connected and secure.

4

Trial Presentation

We're right there with you as you present your demonstratives to the jury. We'll create your presentations and run all of the equipment directly from the hot seat.

5

Trial Graphics

Our experts take complex subjects and convert them into visually compelling graphics that tell a story.

“LCI has had our back as an essential part of the trial team in every case we’ve tried for at least 5 years. I cannot imagine going to trial without their support anymore.”

Partner
Nelson Mullins

“As always, LCI made this trial possible. We found out on October 24 that we were starting trial on November 1... So much respect and love for the LCI team.”

Partner
Beck Redden

“And thank you and the whole LCI team once more for all your help. This was clearly the best experience I had around a trial.”
