**Trial Presentation & Graphics
Trial Site Administration & Logistics
IT Setup and Networking Support**

Summary of Experience:

Ross has 25 years of hands-on experience in computer hardware and software, LAN/WAN and Windows Server Support and administration.

Ross provides large war room design, setup and support, in addition to document preparation. His trial presentation and videography work is second to none. Ross worked on the BP Oil Spill Litigation as part of the trial tech team that managed over 125 million documents and over 3000 hours of video testimony.

If Ross is not setting up and running the war room, he is in the "hot seat" in the courtroom, overseeing the trial presentation technology.

When Ross gets the rare break from his busy trial schedule, he enjoys taking cruises.

Education:
• Computer Science degree from Tarrant County College, Texas.
• Over 50 IT certifications including Cisco, Microsoft, CompTIa and InData.
• Certified Trial Director Trainer for In Data Corp
